

BLOODLINE CHAMPIONS
PRIVACY POLICY
LAST UPDATED: 28-06-2021

Welcome to Bloodline Champions!

Thank you for using our products and services. We respect your privacy and appreciate your trust and confidence in us.

As required by applicable data protection laws, this privacy policy explains the when, how and why when it comes to processing personal data of you as a PC game Bloodline Champions (“**Game**” or “**Bloodline**”) player, the website for the game, customer support and communication related to the Game (“**Game Services**”), and sets out your choices and rights in relation to that information. Please read it carefully - it is important that you understand how we collect and otherwise process your personal data.

Here is a summary of the information contained in this privacy policy. This summary is to help you understand the privacy policy and it is not a substitute for reading the whole document.

What information do we need to provide the Game Services?

If you register an account to use the Game then we will need some information from you to set up your user profile. If you need to get in touch with us, then we will also retain some information so that we can get back in touch with you and provide you with assistance.

How and why do we use your personal data?

Stunlock Studios uses your information to provide Game and Game Services functions. We also use your information to verify your player account, for security purposes and to support and improve Game Services.

Who do we share your information with?

We only share your information with third parties when necessary in order to provide the Game Services, or if we are instructed to by a court, authority or compelled by law. We use third party services to help us deliver the best possible Game experience. We only use third party services to process or store your information for the purposes described in this privacy policy. Lastly, we may be required by a court or certain legal obligations to disclose certain personal information in some circumstances.

Where do we process your information?

We keep servers in Sweden, France and Germany. Our customer support representatives, engineers and other teams are located in our offices in Sweden.

How long do we keep your information?

We generally retain your information for the whole period during which you maintain a player account for the Game. If you delete your player account, all your personal data will be deleted as well, unless otherwise required by applicable laws. Game-generated data such as game progress or champion level, for example, will be anonymized, with the exception of Usernames, which will be deleted.

How can you exercise your rights relating to your personal data?

You may have certain rights with respect to your personal data depending on your country of residence. You may have the right to access, to receive a copy of your personal data, or to delete your data at any time, or restrict or object to our processing of your data.

How can you get in touch with us?

If you have any questions about this privacy policy, or the way we handle personal data, or want to exercise any rights you may have, please contact us by sending us an email to:

dataprotection@stunlockstudios.com.

Stunlock Studios AB, a Swedish corporation, with registered and business offices at Kaplansgatan 16 G, 541 34 Skövde, Sweden (“**Stunlock**”) respects your privacy and provides you with this Privacy Policy (“**Privacy Policy**”) so that you may understand the ways in which we, acting as a data controller under the GDPR, do and do not use the information you transmit when accessing and playing the Bloodline Game, accessing and using websites, platforms, software services and related services (hereinafter the “**Game**” and “**Game Services**” respectively). Please note that confirmation of having read and understood this Privacy Policy (as well as confirmation of acceptance of our Terms of Use) is required in order to play the Bloodline Game.

1. Definitions

“**Applicable Data Protection Legislation**” means any legislation in force from time to time, including the General Data Protection Regulation (“**GDPR**”) 2016/679 of April 27th, 2016, such legislation which implements Directive 2002/58/EC and all other applicable laws and regulations that may apply to the processing of Personal Data.

“**Personal Data**” shall mean any information relating to a Data subject; an identifiable person is one who can be defined, directly or indirectly, notably by reference to an identifier such as a name, an identification number, location data, an online identifier, or to one or more factors specific to his/her physical, physiological, genetic, mental, economic, cultural or social identity of that natural person. Contact data and Service Data are Personal Data.

“**Contact Data**” means any names, phone numbers, e-mail addresses and certain financial details held within commercial systems to conduct the Parties’ relationship management and billing transactions between the Parties;

“**Controller**”, “**Data Subject**”, “**Personal Data**”, “**Process/Processing**” and “**Processor**”, shall have the same meaning as in the GDPR.

“**Service Data**” means any Party’s Personal Data (that is not Contact Data) held within the Parties’ systems, applications or databases and that may be accessed, processed, used or stored as a consequence of performing the services under the applicable agreement.

“**Third Country**” means a country that is: (i) outside of the European Economic Area; and (ii) not the subject of a formal decision by the European Commission, made pursuant to Article 45 (1) of the GDPR, stating that that country ensures an adequate level of protection for personal Data.

2. Collection of information

Information collected through the Game

In order to access and play the complete Game, you must register an account with Stunlock and the platform/service providers that are providing the Game etc. to you. You must then create an account on the Game’s web page or on the platform/service providers’ platforms that hosts the Game to access such premium game functions, levels, content and features etc. To create an account you are required to provide certain mandatory information such as your name, your email address, account login etc. which is mandatory in order to be able to establish an account.

Stunlock's platform service provider, also handling payments (and any refunds), collects payment information data. Stunlock does not process any personal data in this context other than date and time for completed transaction as communicated by Stunlock's platform service provider in conjunction with confirming that a certain user has provided payment.

Stunlock may also collect and process other information when you interact with the Game online in any way, such as the type of operating system you are using; the IP address or other unique identifier such as a device identifier of any of your computer(s) that are used to access the Game or information generated when you adjust your friends list and silenced players list.

3. Cookies and similar technologies

A cookie is a small text file that is downloaded onto your device (e.g. computer or smartphone) when you access a website. It allows the website to recognize the device and store information about your preferences to make your visit more efficient and enjoyable. Stunlock uses cookies and similar technologies that are necessary for the functionality of the website. Please visit our [Cookie Policy](#) for further information.

- resolve disputes, investigate and help curb fraud and illegal behavior, comply with the law, and to enforce our agreements and policies;
- communication reasons related to the Game and related matters;
- manage the Game and send you confirmations and important information about your account, products, purchases, subscriptions, and warranties and;
- present offers and/or information relating to the Games and other games that you might like and;
- make recommendations to you.

Processing of this information is necessary for

(i) the purpose of performance of a contract to which you are party in order to support the operation of the Game facilitate the delivery of requested products and services and enable maintenance and update of the Game under Article 6(1)(b) of the GDPR and

(ii) purposes of providing advertisements if you have consented to such email correspondence pursuant to Article 6 (1)(a) or if legitimate interest apply as a legal basis pursuant to Article 6(1)(f) of the GDPR and

(iii) improving our services in accordance with Article 6(1)(f) of the GDPR ("the balancing-of interest rule").

We only process your information to the extent that is necessary to achieve the purposes for which the information has been collected.

5. Storage of Personal data

In addition to the retention periods set out above, Stunlock may further store personal data in order to establish, exercise or defend a legal claim or to comply with applicable law, including accounting rules.

Stunlock will also (i) ensure that their employees and employees of their affiliates and subcontractors

involved in the performance of the agreement with you at hand comply with the agreement's provisions; (ii) implement all reasonable technical and organizational measures to protect your Personal Data against any accidental or unlawful destruction, accidental loss, unauthorized alteration, communication or access and (iii) where required, report to you, any unauthorized access, disclosure, use, modification or destruction of your Personal Data.

6. Information we share with third parties

As a general rule we will not share Personal Data that directly identifies you (such as your name or e-mail address) with independent third parties without your consent, unless it is either required by law or we determine that disclosure is reasonably necessary to enforce our rights, property or operations or to protect our players or third parties. We may share anonymous or aggregated information, or other data that does not directly identify you, with third parties, for instance your persona on leaderboards or to show trends about use of our products.

To comply with the contract between Stunlock and you, including to provide you with the Game Services, your Personal Data will be processed on servers that may not be located in your country of residence. Regardless of the location of our servers, we take all the appropriate measures to safeguard your rights in accordance with this Privacy Policy.

Notwithstanding the forgoing, we may share information about you with certain third parties based on the legal bases in Articles 6(1)(b), 6(1)(c) and 6(1)(f) of the GDPR as follows:

· Third Party Agents and Contractors

We may share information about you with third party agents and contractors in order to provide the Game to you, for ongoing development, for analytical purposes etc. We will only provide information to such third party agents and contractors for their performances of their specific assignments for us and consistent with this Privacy Policy, and for no other purposes and provided that such third party agents and contractors have ensured an adequate level of protection of the Personal Data in accordance with all Applicable Data Protection Legislation and/or through agreements with us.

· Third parties

When required by applicable law, rule, regulation, legal process, in the process of negotiations of, any mergers and acquisitions, sale of company assets, financing or acquisition of all or a portion of our business by another company where Personal Data submitted to us may be transferred to the acquiring entity.

· Courts, law enforcement agencies, legal authorities etc.

When ordered or requested by courts, legal authorities etc. and required in order for us to abide by applicable laws, or to protect our rights, in defense in law suits, property or safety of Stunlock, the Game, end users etc.

7. Payment information

Stunlock does not sell, transfer or share customer information with third parties, except where the information is transferred, disclosed and shared with its third-party agent(s) who uses the information solely to handle and deliver certain services necessary to operate Stunlock' business (e.g. processing orders and payments).

In order to access certain premium game functions, cosmetic items, features, etc. you are required to pay certain fees. When purchasing such features and functions, etc. you may be asked by the platform/service providers handling such payments to provide certain Personal Data, such as full name, billing address, email address and credit card number/expiration date, etc. Please note that you must be of legal age according to the laws of your country to make purchases.

Following successfully entering of valid credit card information etc. and completion of the order process, a purchasing account will be created and maintained. The platform/service providers will use the information provided to process the order and to send order confirmations via email, as well as to make future purchases easier for the user and, where applicable, handle refunds.

8. Security

Stunlock Studios is committed to protecting and maintaining your privacy. Stunlock has taken appropriate measures to ensure that the Personal Data it collects is protected by safeguarding confidentiality, security, and integrity of the Personal Data. Personal Data is stored in secure operating environments that are not available to the public and that are only accessible to authorized employees and contractors. We also have security measures in place to protect the loss, misuse, and alteration of the information under our control. However, there is no such thing as perfect security. As a result, although we strive to protect Personal Data, we cannot ensure or warrant the security of any information transmitted to us through or in connection with the Game, that we store on our systems or that is stored on our service providers' systems.

Please note that Stunlock may provide links to other games and websites that are operated and hosted by third parties who may have their own information collection practices. Those other games and websites are governed by their own privacy policies, which may be substantially different from Stunlock' policies. Visitors to other games and websites are encouraged to review the privacy policies and information collection practices of those websites.

Any improper collection or misuse of User Content or information provided in the Game is a violation of the Terms of Use and should be reported to Stunlock at dataprotection@stunlockstudios.com.

9. International Data Transfers

We may transfer and share your information to third parties (including service providers operating on our behalf) which may be located in countries outside the European Union (“EU”) and/or the European Economic Area (“EEA”) which may not have the same level of data protection laws as those in the country where you are located. Where your data is sent to a country outside the EU/EEA that is not subject to an adequacy decision by the EU Commission, the transfers will only occur based on the following safeguards: i) If the entity is certified to comply with the principles for data protection under the US-EU Privacy Shield Framework ("Privacy Shield") (see Privacy Shield at www.privacyshield.gov) **provided that Privacy Shield is recognized as a valid legal safeguard for such transfer**, or ii) If we have entered into EU Commission approved standard contractual clauses with the entity, which is deemed to offer sufficient safeguards with respect to the protection of the privacy and fundamental rights and freedoms of individuals.

10. Your Choices and Controls

Under the GDPR, individuals have the following rights regarding Personal Data:

The right to request access

In accordance with Article 15 of the GDPR you may request access to processed Personal Data. This includes confirmation as to whether or not Personal Data concerning him or her are being processed, and, where that is the case, access to the Personal Data and the following information:

- the purposes of the processing;
- the categories of Personal Data concerned;
- the recipients or categories of recipient to whom the Personal Data have been or will be disclosed, in particular recipients in third countries or international organizations;
- where possible, the envisaged period for which the Personal Data will be stored or, if not possible, the criteria used to determine that period;
- the existence of the right to request from the controller rectification or erasure of Personal Data or restriction of processing of Personal Data concerning the data subject or to object to such processing;
- the right to lodge a complaint with a supervisory authority;
- where the Personal Data are not collected from you, any available information as to the source;
- the existence of automated decision-making, including profiling, referred to in Article 22(1) and (4) and, at least in those cases, meaningful information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

Where Personal Data are transferred to a third country or to an international organization, you have the

right to be informed of the appropriate safeguards pursuant to Article 46 relating to the transfer.

You shall be provided a copy of the Personal Data undergoing processing. For any further copies requested, we may charge a reasonable fee based on administrative costs. Where you make the request by electronic means, and unless otherwise requested by you, the information shall be provided in a commonly used electronic form. The right to obtain a copy shall not adversely affect the rights and freedoms of others. Please note that the access may be restricted due to intellectual property or trade secrets.

The right to object

You have the right to object to the Personal Data processing on grounds relating to your particular situation when the data are processed based on the balancing-of-interest rule in Article 6(1)(f) of the GDPR, see Article 21 of the GDPR. In this case, we will cease the processing unless there are compelling legitimate grounds for the processing which override your interests, rights and freedoms or if the processing is necessary for the establishment, exercise or defense of legal claims. You have the right to object to our processing of your Personal Data for direct marketing purposes at any time. We will cease the processing of your Personal Data for this purpose after the objection. Please note that if you exercise this right, your user license to use the Game and related services will cease automatically.

Right of correction and erasure

You have the right to have inaccurate Personal Data rectified, in accordance with Article 16 of the GDPR.

You have the right to have your Personal Data erased where one of the following grounds applies, see Article 17 of the GDPR:

- The Personal data is no longer necessary in relation to the purposes for which it was collected or otherwise processed,
- if you have withdrawn your consent and there are no other legal grounds for the processing,
- if you have objected to the processing and there are no overriding legitimate grounds for the processing,
- the Personal Data have to be erased for compliance with a legal obligation in Union or Member State law,
- the Personal Data have been unlawfully processed or
- the Personal Data have been collected in relation to the offer of information society services.

Please note that your right to erasure may be limited if the data are necessary for compliance with a legal obligation or for the establishment, exercise or defense of legal claims.

The right to restriction

You have the right to obtain restriction of processing in certain circumstances, in accordance with Article 18 of the GDPR. If you have the right to restriction, we will only process your Personal Data with your consent or for the establishment, exercise or defense of a legal claim or to protect a person or important grounds of public interest.

The right to withdraw consent

If we have asked for your consent to our processing of your Personal Data, you have the right to withdraw your consent at any time, in accordance with Article 7 of the GDPR. If you withdraw your consent, we will cease processing of the Personal Data for which you have withdrawn consent, unless we have a legal obligation to keep some or parts of your data. Please note that if you withdraw your consent, your right to play the Game and related services will cease automatically. The withdrawal of your consent does not affect the lawfulness of processing based on your consent before its withdrawal.

The right to data portability

You have the right to receive your Personal Data that you have provided to us in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller without

hindrance if the processing is based on consent or contract performance, in accordance with Article 20 of the GDPR.

Changing or Removing Account Information

Access and control over most Personal Data in the Game is readily available through the profile editing tools on the webpage or the gaming platforms. End Users may modify or delete any or all of their profile information at any time by logging into their accounts. Information will be updated as soon as possible. End Users who wish to deactivate their Game account may do so in their accounts on the webpage or the gaming platforms. Removed information may persist in backup copies for a reasonable period of time but will not be generally available to other End Users or visitors of the Game. You cannot however remove communications made in any communication features in the Game, which might have been shared with other End Users (for example sending personal messages to other End Users).

If you wish to invoke any of the rights described above, you may contact us at any time by emailing us at dataprotection@stunlockstudios.com. We will process and answer your requests without undue delay and in any event within one month of our receipt of the request unless a longer period is required due to the complexity of the request. In this case, our response time can be up to three months in total as permitted by Article 12 of the GDPR.

12. Changes to our Privacy Policy

This Privacy Policy applies to all information collected by us or provided to us on and after the Effective Date. This Privacy Policy is subject to change and we may make any changes to this Privacy Policy as we see fit. Stunlock will notify you of material changes by posting them in the Game, or on the websites, etc. You are encouraged to check back and review this Privacy Policy from time to time so that you will always know what information is collected, how it is used and to whom it is disclosed. Your continued use of our services and playing of the Game subject to this Privacy Policy will signify your acceptance of Privacy Policy changes.
